Accordingly, the surplus carried forward to the next financial year as at 31 March 2020 was **HK\$ 45,011.13**.

Major Activities

In the Financial Year 2019/2020, the Nuclear Division organized 6 technical visits, 5 conferences/seminars and 2 professional short courses in total as listed below for enlightening our members on the latest development in nuclear engineering.

Technical Visits

1. CGN Nuclear Facilities on 18 - 20 April 2019;
2. Hong Kong Observatory on 1 June 2019;
3. Nuclear Reactor Simulation Laboratory and CLP Power Low Carbon Energy Education Centre at CityU on 31 August 2019;
4. Daya Bay Nuclear Power Site, Daya Bay, Shenzhen on 21 September 2019;
5. E&M InnoZone and Interactive Learning Centre at EMSD Headquarters on 21 December 2019
6. Daya Bay Nuclear Power Site, Daya Bay, Shenzhen on 11 January 2020

Conferences/Seminars

1. “Engineering Codes of Ethics at the Frontier of Social Responsibility” on 3 July 2019;
2. “Public Engagement on Long-term Decarbonisation Strategy for Hong Kong” on 9 August 2019;
3. “A Tale of the British Gas-Cooled Reactor Programmes” on 2 October 2019;
4. “Bubbles: Science, Sustainability and Technology” on 12 November 2019; and
5. “Fusion Plasma Technology from Nuclear Power to Industrial Applications” on 17 April 2020.

Professional Short Courses

1. “Air Sanitization System, Basic Design and Assessment” and “Fire Probabilistic Safety Assessment for Nuclear Power Plant” on 27 April 2019; and

2. “Radiation and Radiological Protection in Hong Kong” on 7 December 2019.

Conclusion

Based on the financial result, the related financial statements and the relevant supporting documents, it is opined that the financial situation of the Nuclear Division is sound and healthy.
